

# Summer Reading Assignment

All students must read two books: one from the *Grade Level Reading List* and one from the *Leveled Reading List*. If a student prefers, a book from the Montgomery County Public Library's reading list for middle school or high school students may be chosen. Students must complete the following writing and vocabulary assignments for each book.

## Writing

Write a summary of each book that you read.

1. Fill out the attached "Summer Reading Assignment" organizer
2. Use the organizer as a guide to write your summary in paragraph format
  - Middle School - 1 paragraph or more
  - High School - "Semantic Map" & summary of 3 paragraphs or more

## Vocabulary

Choose 10 unfamiliar words from each of the books you read. Use the attached chart to write down:

1. The word

3. The definition of the word
4. A synonym (word that means the same thing) and antonym (word that means the opposite)
